SASSHA HMS Help © 1997 - 2020

David Harrison

1 QXL USER INSTALL

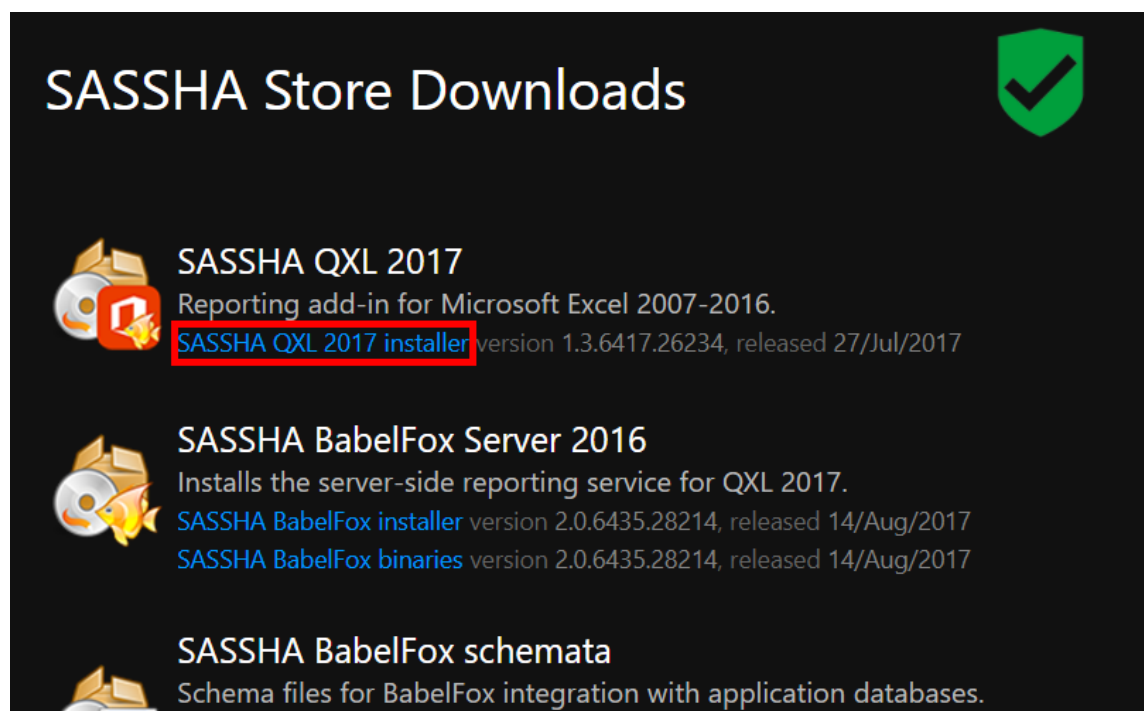

DETAILS

To install QXL

OPERATION

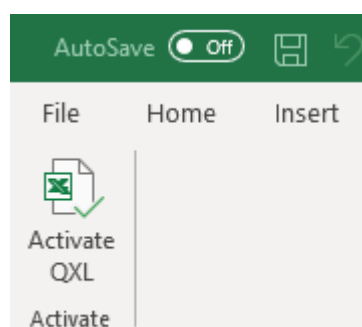

Click on the SASSHA QXL installer below:

<https://tox.sassha.co.uk/ss/Downloads.aspx>

When the component has been successfully installed open **Excel**

You can click on **Activate QXL**

Click **Test Connection**

Excel will auto detect the correct server address so just click **ok** to the next message

If there are any issues please contact the [Help-Desk](#)

Click **OK** and you will notice that you now have a new tab in Excel
